IN CONSIDERATION of the rent described below and the mutual promises made to each other THE WINKLER ORGANIZATION (Landlord), by and through his/her/its agent (Agent), leases and rents to **TENANT NAME**; this **XXth** day of **MONTH, 20XX**. WITNESSETH: That subject to the terms and conditions set forth by this Residential Rental Contract in Article I, the Rules and Regulations in Article II (located at www.winklerorganization.com), and terms and conditions as may be stipulated by separate, but integral documents, Landlord does hereby rent unto Tenant(s) and Tenant(s) does hereby take as Tenant under Landlord, THE PREMISES known as and located in the City of Boone, County of Watauga, State of North Carolina, being known as and more particularly described as:

Winkler Adams |201 Brown Street
Unit 3 B
Boone, NC 28607

Unit # 03 B - in a 2 Bedroom Unit

It is the understanding and agreement of the parties that THE PREMISES shall consist of the bedroom located in the **03 B** portion of the said apartment together with a non-exclusive right to occupy the "common area" which shall be defined as all portions of the apartment unit located outside the bounds of the bedrooms contained in said apartment unit.

It is the understanding and agreement of the parties that Tenant shall in no way be responsible for the monthly rent obligation of the other occupants of the apartment unit which is the subject of this Contract. Provided, that it is the further understanding and agreement of the parties that Landlord reserves the absolute and exclusive right to select the other tenants or occupants to reside in the apartment unit, and Tenant expressly waives any claim or objection which Tenant may have pertaining to Landlord's selection of the other occupants or tenants to reside in said unit.

With regard to the Security Deposit reference in Paragraph 4 of the Contract, it is the understanding and agreement of the parties that Tenant shall be solely responsible for any and all damages which may be sustained in Tenant's bedroom during the term of this Contract. In addition, with respect to damages sustained to the common area of the apartment unit which is the subject of this Contract, Tenant's security deposit may be used on a pro-rata basis for repairs or replacements along with the other security deposits of the other occupants or tenants in the unit unless Landlord in Landlord's sole discretion is able to determine which Tenant in the unit is responsible for the breakage or damage.

Other Description (Room, Appliances Provided, Utilities, etc.) Un-furnished, stove, refrigerator, washer/dryer (if applicable), dishwasher (if applicable), trash removal, utilities included as listed in Section 10 of this lease.

1. **TERM:** The Tenant's right of possession and the term of this Lease Contract shall begin at **XX PM** on the **XX** day of **August, 2023** and shall end at **XX AM** on the **29th** day of **July, 2024**.

Any given calendar month in which Tenant is entitled to occupancy for twenty-eight (28) days or more shall be counted as a full month for the purposes of this Lease Contract, including without limitation pro-ration of rent, or other monthly fees to be paid to Landlord. For more details on pro-ration see "Rent Payments" in Article II Rules and Regulations. Tenant understands that if he moves out before this time or fails to move in, he is responsible for finding someone suitable to Landlord to take over the Lease Contract, and that if he does not do this, he is responsible for all rent until a suitable substitute Tenant can be found. The Lease Contract runs for a specified period of time. If Tenant breaks this Lease Contract, he will be expected to pay and comply with the following: 1) All rent except as stated in Article II, Section 42, "Tenant's Default"; 2) Advertising costs; 3) **\$385.00** for Landlord's time and effort in the releasing of the dwelling unit (this includes answering the phone and showing the dwelling unit); 4) Any damage that must be repaired to make this dwelling unit rent-ready; 5) Cost of re-renting the dwelling unit after breach by Tenant; 6) All other terms and conditions of this Lease Contract; and 7) Article II Section 34, "Vacating and Checking Out", of this Lease Contract. Tenants that hold over past the end of the rent term create a tenancy-at-will and shall pay rent at the rate of two hundred fifty dollars (\$250.00) per day or part of a day until the dwelling unit is vacated. See "Holdover" in Article II, Rules and Regulations for more details.

It is expressly understood that this Lease is for the entire Term regardless of whether Tenant is transferred, ceases to be enrolled in a College or University in Boone, North Carolina, or is unable to continue occupying the Apartment Unit for any other reason. Accordingly, Tenant's obligation to pay the Rent (as hereinafter defined) hereunder shall continue for the entire Term of this Lease until all sums due Landlord hereunder have been paid in full.

2. **MONTHLY RENT:** As rental Tenant shall pay a monthly sum of **\$XX** payable monthly in advance on or before the **FIRST** day of the month for which rent is due to the designated office of **THE WINKLER ORGANIZATION, 215 Boone Heights Drive, Suite 100, BOONE,**

NORTH CAROLINA 28607, and post marked by the first day of the month. **NO CASH WILL BE ACCEPTED FOR RENTAL PAYMENTS UNLESS CHECK WRITING PRIVILEGES ARE SUSPENDED.**

3. **ADMINISTRATIVE FEE:** Prior to taking occupancy and possession of the dwelling unit, Tenant agrees to pay an administrative fee of **\$280.00** for the first 30-day period of Tenant's Lease Contract. This is in addition to the Tenant's regular monthly rent as stated in Article I, Section 2 of this Lease Contract. **ADMINISTRATIVE FEE IS NOT REFUNDABLE AND LANDLORD CAN USE IT FOR WHATEVER HE WANTS, JUST LIKE THE MONTHLY RENT.**

4. **SECURITY DEPOSIT:** Tenant agrees to pay Landlord a security deposit in the sum of **\$XX** and Landlord shall hold this deposit as security during the term of this Lease Contract or until Tenant terminates occupancy. Said deposit may be used for any of the purposes as are set forth in North Carolina General Statutes 42-51. Landlord agrees to refund to Tenant the security deposit in full, less any damages or costs, within thirty (30) days after the termination of this Lease Contract. This Lease Contract is made, delivered and accepted with the understanding that should damages or costs for repairs exceed the amount of the deposit, then and in that event Tenant does hereby agree to pay such additional damages or costs within thirty (30) days after vacating the dwelling unit. After charges are assessed, Tenant will receive whatever balance is owed to Tenant. Also, Tenant understands that if there is any breakage or damage during the course of Tenant's occupancy and the items(s) need to be repaired, Tenant is then responsible for the cost of repair or replacement at that time. **THE TENANT SECURITY DEPOSIT SHALL BE DEPOSITED IN AN ESCROW ACCOUNT WITH BANK INFORMATION HERE.**

5. **LATE CHARGES:** Rent is due in full on the first day of each month by 4:00 pm and that is when Landlord expects to be paid. Rent is **LATE** if not paid by 4:00 pm on the first day of each month. Rent received before 4:00 pm on the sixth (6th) day of the month in which it is due will not be penalized with a late charge. After 4:00 pm on the sixth day of the month, a late charge of five percent (5%) of the monthly rental amount (as stated in Article I, Section 2 of this Lease Contract) or fifteen dollars (\$15.00), whichever is greater, will be incurred and added to the total of the past due rent.

If the sixth day of the month falls on a Saturday, Sunday, or a holiday observed by the Landlord, the Rent must be placed in the designated rent drop box prior to the opening of the first business day following the weekend or holiday; otherwise the Rent will be considered received on the opening of the next business day and late fees may accrue if that next business day is after the sixth (6th) day of the month. Acceptance of Rent after the due date shall not be considered a waiver or relinquishment of any of Landlord's other rights and remedies. If the Rent is mailed, the late charge will be applied to any Rent received by mail after the sixth (6th) day of the month in which it is due. To ensure timely payment by the first day of the month, please mail the Rent by the 20th day of the previous month.

Tenant acknowledges that any Rent received by Landlord will be first applied to any outstanding charges (such as late charges, returned check charges, damages) incurred by or on behalf of Tenant prior to applying the same to the current monthly Rent regardless of whether or not Tenant has made notations on the payment instrument and regardless of when the obligations came about. Partial payments of rent will not relieve Tenant of late charges. If the payment tendered by Tenant fails to cover the total charges outstanding, then Tenant shall immediately pay the difference, plus any late charge incurred by virtue of Tenant's failure to timely pay all sums due from Tenant to Landlord.

Check writing is a privilege that the Landlord may suspend or discontinue at any time and require Tenant to make payment with a money order. There will be a twenty-five dollar (\$25.00) handling fee for any check for each time it is refused payment by any bank. Also, if Tenant's check is refused for any reason by a bank or on whomever it is drawn, it is the same as if Tenant has not paid rent on time and Tenant will be responsible for paying any late charges that are charged for late payment. These terms also apply to any payment made electronically.

6. **GUESTS AND ASSIGNMENTS:** Tenant shall not assign or otherwise transfer his interest in this Lease Contract, or any part thereof, without the prior written consent of Landlord. Should the Landlord give prior written consent, the consent will be conditioned upon the Tenant and transferee executing a Lease Transfer Addendum within the sole discretion of the Landlord.

The dwelling unit shall be used for residential purposes only and occupants of the dwelling unit shall be limited to 1 guest per tenant. Tenant shall not allow or permit the dwelling unit to be occupied or used as a residence by any person other than those parties specified in this Lease Contract. If the dwelling unit is occupied as a residence by person(s) other than the authorized, then Tenant is subject to a fine(s) as stated in the Rules and Regulations in Article II for this violation and can be held in default of this Lease Contract.

Tenant may receive door keys and mailbox keys, which Tenant acknowledges are for Tenant's personal use and Tenant agrees to not pass along such items to third parties and to keep such items confidential. Tenant shall be held responsible for any death, injury, damage or loss sustained by any person because of Tenant's negligence in passing along such items to any third party and not keeping such items confidential. Any duplicates of such items must be made by Landlord only, in its sole and absolute discretion. If any such item is lost or stolen, Tenant must promptly notify Landlord and Tenant will be charged a replacement fee for each such item replaced.

7. **RENTAL APPLICATION:** Tenant agrees to submit a rental Application in connection with this Lease Contract. Tenant acknowledges that the Landlord has relied upon the Application as an inducement for entering into this Lease Contract and Tenant warrants

to Landlord that the facts stated in the Application are true to the best of Tenant's knowledge. Tenant also agrees to update the information provided on the Rental Application at any time during tenancy when changes occur. If any facts stated in the Rental Application prove to be untrue, the Landlord shall have the right to terminate the tenancy and to collect from Tenant any damages resulting therefrom, Rules and Regulations, Article II, Section 42. Tenant agrees to pay Landlord a Seventy-five dollar (\$75.00) application fee prior to signing Lease Contract.

9. OCCUPANCY: Tenant understands and accepts that tenant may be moving into an occupied unit, and as such the room tenant will occupy may not have been cleaned or painted. Tenant agrees that if there are any necessary repairs to the unit or individual room, that tenant will notify Landlord within five (5) days of the effective date of the lease.

10. UTILITIES: EACH APARTMENT UNIT RECEIVES A POWER AND WATER & SEWER "UTILITY ALLOWANCE" PER BILLING CYCLE BASED ON THE NUMBER OF BEDROOMS IN THE APARTMENT UNIT AS LISTED BELOW (with the exception of the properties noted below as "all-inclusive utilities"). All allowances are per unit. This allowance is not necessarily intended to cover the utilities for the unit in its entirety, and should be noted as such. Landlord will charge a fee of fifty dollars up to one month's rent for removing any trash or debris that is not properly disposed of in the containers provided for Tenant by Landlord. **TENANT UNDERSTANDS THAT LANDLORD IS NOT RESPONSIBLE FOR SNOW AND ICE REMOVAL.**

12. INVENTORY: Tenant acknowledges receipt of the appliances, fixtures, etc. listed in the Move-In Inspection Checklist in the condition stated therein, which is attached hereto, upon occupancy as a part of this Lease Contract. It is important to understand that if you are moving into a multi-bedroom unit, that while we do not allow pets in any of our properties, there is a chance one of your roommates may require an Emotional Support Animal, which could occur at any point during the year. If you have strong allergies or aversions to animals, it is best to look into single bedroom options. The Winkler Organization will assist with relocation if and when possible, but typically is 100% leased at all times.

14. NOTICES: Notices may be served upon Tenant via cellular text, email, in person, by Certified Mail, or by posting the notice on Tenant's door, at the address of the dwelling unit, whether or not said notice or mailing is accepted by Tenant. The Landlord's primary form of communication is via cellular text and email. Tenant agrees to provide Landlord with accurate and current cell phone number and email address and update Landlord immediately with any changes, acknowledging that Landlord is not responsible for notices not received by Tenant as a result of outdated or inaccurate contact information, namely cell phone number and email address. Notices may be served upon Landlord by Certified Mail at the address to which rental payments are mailed.

15. PARKING: Tenant(s) agree to park no more than **XX** car(s) on the dwelling lot and acknowledges receipt of **XX** visitor permit(s) upon occupancy. Visitor permits are per Unit and are subject to revocation should parking availability become an issue. Tenant agrees to abide by any parking policies, rules, signs and regulations that apply to Tenant's dwelling parking lot. Tenant agrees to display parking decal on the driver's side rear windshield. In the event that the rear windshield is darkly tinted, so as to obscure visibility, the parking decal may be placed on the driver's side front windshield. The Visitor permit (if applicable) in the form of a plastic rear-view mirror hang tag must be hanging and clearly visible at all times. Tenant agrees to display parking decal as instructed and agrees that for such violation of any parking regulations in force, including, but not limited to, failure to display decal, Tenant's vehicle and the vehicles of the Tenant's guests and invitees may be subject to parking ticket, wheel lock, or towing at Tenant's expense. Tenant uses any parking at Tenant's own risk. Tenant releases, holds harmless and indemnifies Landlord from all claims, loss, and damage to Tenant's and Tenant's invitees' vehicle(s) and other personal property occurring on the premises. Parking is subject to parking space availability. Tenant acknowledges that the Landlord does not guarantee parking space availability at all times due to unforeseen events and circumstances not within the control of the Landlord.

16. SEVERABILITY: In the event any portion of this Rental Contract is, for any reason, unenforceable or invalid under any applicable law, such provision shall be deemed void and the remainder of this Rental Contract shall continue to be fully valid.

17. RECEIPT: Each of the parties acknowledges receipt of a copy of this Lease Contract. Further, Tenant(s) guest, agents, and his family, agrees to comply with the Rules and Regulations in Article II, a copy of which is located at www.winklerorganization.com, and made a part hereof as if fully set out herein. The Landlord may make changes to the Rules and Regulations, and, upon notification to Tenant of such changes, such amended Rules and Regulations shall be deemed as equally binding upon Tenant and Tenant's guests and invitees as if originally set forth herein. Tenant also agrees that, if the dwelling unit in which he lives is governed by a condo or property owner's association, that he will also abide by any rules and regulations they have. This Contract shall be binding upon and inure to the benefit of the Landlord, his heirs and his successors in interest and assigns.

18. RELOCATIONS: Prior to Tenant taking occupancy and moving in dwelling unit under the terms of this Lease Contract, Landlord shall have the right to substitute other premises ("Other Premises") in the same complex in which this dwelling is located for the premises originally named herein, or previously substituted under this provision. The other premises shall be comparable in size to the original or previously substituted premises. Landlord shall give Tenant at least one day prior notice of the substitution of the Other Premises for the original or previously substituted premises, which notice shall describe the location of the Other Premises. In the event of damage to the dwelling unit by fire, flood, etc., Landlord has the option of relocating Tenant to a comparable alternative dwelling unit, in this or another location, until Tenant's dwelling unit is repaired or Tenant(s) Lease Contract expires, whichever is first. If the Building, Unit or Bedroom leased to Tenant is being renovated or constructed at the time of execution of this Lease Contract, and the Landlord has not received a certificate of occupancy, or if the Building, Unit or Bedroom leased to Tenant is not complete or ready for occupancy upon commencement of the Term stated in section (1) of this Lease Contract, the Tenant agrees that the Landlord may provide temporary alternative housing, which may include housing within a hotel located in the Town of Boone, until the Building, Unit or Bedroom is ready for occupancy by Tenant. Tenant further acknowledges and agrees that if the Building, Unit or Bedroom is not complete or ready for occupancy upon the commencement of the Term, this provision of temporary alternative housing is a reasonable accommodation by Landlord to Tenant, and this Lease Contract shall remain in full force and effect for the Term stated in section (1).

19. ENTIRE AGREEMENT: This Lease Contract contains the entire agreement of the parties and there are no representations, inducements or other provisions other than those expressed herein in writing except as pertains to any representations made by Tenant to Landlord as inducement for Landlord to enter into this Lease Contract and to accept Tenant as a Tenant hereunder, which said representations are specifically incorporated herein, and except for the Rules and Regulations in Article II, the Move-In Inspection Checklist, and any other written addendum hereto (if applicable) all of which are made a part hereof. All changes, additions or deletions hereto must be in writing signed by all parties, and failure of either party to abide by this provision shall not be a waiver or release of this provision in the future.

20. CLEANING SERVICES: Landlord, its employee, agent, representative, or subcontractor, may clean the Leased Premises which shall include from time to time at Landlord's sole discretion: the kitchen, bath(s), and common areas of each apartment 6 or more times

during the lease term. Tenants will be informed of the cleaning schedule (including the frequency of cleaning, and estimate dates and times) and related cleaning policies to be established at Landlord's sole discretion within 10 days of taking possession of the Leased Premises as set forth herein. Tenant hereby grants Landlord the right of reentry and consents to Landlord's entry into Leased Premises for the purpose of cleaning same as set forth herein subject to the schedule and policies to be provided to Tenant. All cleaning and changes to the cleaning schedule shall take place at Landlord's sole discretion and direction. Tenant hereby releases Landlord from any and all damages or liability arising from entry upon the Leased Premises by Landlord, its employee, agent, or representative, except for damages resulting from willful misconduct or gross negligence by Landlord. Landlord's rights to enter the Leased Premises and clean same as described herein and in the schedule and policies provided to Tenant shall in no way affect Tenant's obligations under this Lease to keep the Leased Premises in a clean condition and to clean the Leased Premises upon vacating same, including, *without limitation*, Tenant's obligations in Article II Subsection 4 of Section 34, titled "Vacating and Checking Out." **No Cleaning Service is provided at the following properties: Cardinal II**

21. **VENUE:** In the event there is a court action filed regarding this lease, the Landlord and the Tenant(s) agree that Watauga County, North Carolina shall be the venue for the hearing of any action.

22. **NOISE:** Landlord is not and cannot be responsible for noise or disruptions associated or originating with uses made of adjacent and neighboring units, apartments, or other spaces by people or businesses. Tenant acknowledges and accepts that Tenant's unit may be in a mixed-use building, and, as such, may be subject to noise and disruptions from a variety of sources including without limitation, frequent visitors or patrons (including in the morning and late at night), waste pick-up, restaurant or other business operations. In no event, will Landlord be responsible for eliminating or minimizing noise, and Tenant shall have no right to terminate this Lease as a result of noise issues.

23. **RENOVATIONS:** Landlord may during the Term renovate, improve, alter, or modify (collectively, the "Renovations") the Building, the Premises, or the Project, including without limitation, Common Areas, building Systems, roof, and structural portions of the Building. Renovations may include, without limitation, (a) modifying the Common Areas and tenant spaces to comply with applicable Laws, including, without limitation, regulations relating to the physically disabled, seismic conditions, and building safety and security; and (b) installing new flooring, lighting, and wall coverings. In connection with such Renovations, Landlord may, among other things, erect scaffolding or other necessary structures in the building, limit or eliminate access to portions of the Building or Project, including, without limitation, portions of the Common Areas, or perform work in the Building that may create noise, dust or leave debris. This also includes the placement, whether temporary or permanent, of any type of remediation equipment needed to mitigate moisture issues, including, without limitation, dehumidifiers, fans, air scrubbers, etc. This equipment can be placed and/or removed at any time as Landlord deems necessary, and if equipment is in your unit it is expected to be utilized as specified. Tenant hereby agrees that such Renovations and Landlord's actions in connection with such Renovations shall in no way constitute a constructive eviction of Tenant nor entitle Tenant to any abatement of Rent. Landlord shall have no responsibility or for any reason be liable to Tenant for any direct or indirect injury to or interference with Tenant's business or occupancy arising from the Renovations, nor shall Tenant be entitled to any compensation or damages from Landlord for inconvenience, annoyance or loss of the use of any part of the Premises or of Tenant's Property resulting from the Renovations.

24. **RELEASE OF LIABILITY AND INDEMNIFICATION:** Neither Landlord nor Agent shall be liable for any personal conflict of Tenant with co-tenants, Tenant's guests or invitees, or with any other tenants that reside at the Apartments. Therefore, a conflict between tenants does not constitute grounds for Tenant to terminate this Lease. Tenant acknowledges that he may reside in a shared apartment unit with other tenants that he may or may not have known or met prior to his tenancy. Tenant understands that the Winkler Organization is in no way liable for any conflict that may arise among co-tenants, Tenant's guests or invitees, and is not responsible for ensuring that the tenants meet nor approve of the co-tenants residing in the shared apartment unit, prior to lease execution and/or occupancy. All personal property placed or kept in the Apartment Unit, or in any storage room or space, or anywhere on the adjacent property of Landlord shall be at Tenant's sole risk and neither Landlord nor Agent shall be liable for any damages to, or loss of, such property. Tenant is encouraged to secure apartment-dwellers', renters' or similar insurance to cover any damage or loss to personal property kept by Tenant in or about the Apartment Unit, and neither Landlord nor Agent shall have any liability with respect to the same. Tenant uses any storage at Tenant's own risk. Tenant releases, holds harmless and indemnifies Landlord from all claims, loss, and damage to Tenant's and Tenant's invitees' personal property occurring on the premises.

25. **USE OF APARTMENT UNIT; COMPLIANCE WITH LAWS AND SCHOOL REGULATIONS:** Tenant shall use and occupy the Apartment Unit as a private residence and for no other purposes whatsoever. Tenant agrees to abide by all applicable ordinances, codes, rules, regulations, and laws and to avoid disruptive behavior or conduct. Tenant shall not use or permit the Apartment Unit to be used in any manner that could or does result in any damage to the Apartment Unit. Additionally, if Tenant is a full or part-time student at a university or college, then Tenant also agrees to obey the rules and regulations outlined in that particular institution's student code of conduct or similar instrument(s), and failure to do so may, in Landlord's sole and absolute discretion, be deemed to be a breach of this Lease by Tenant. Further, Tenant agrees to cooperate with Landlord including, without limitation, by signing any documents required as a result of renting the Premises from Landlord pursuant to any local, state, or federal authority or regulatory body.

26. **FORCE MAJEURE.** If either party hereto is delayed or hindered in or prevented from the performance of any obligation required hereunder by Force Majeure, the time of performance of such obligation shall be extended for the period of delay, provided that Force Majeure shall not excuse prompt and timely payments when due under this Lease except when (A) the Commencement Date is

delayed by reason of Force Majeure, or (B) such payment is excused pursuant to other provisions of this Lease. However, no delay shall be excused by this Section unless (1) the delayed party notifies the other party in writing, which can be by email or similar means, of the delay within three (3) business days of the event giving rise to such delay, (2) the delayed party has exhausted all other resources available at reasonable costs to avoid such delay, and (3) the delayed party diligently pursues completion of the activity which was delayed. "Force Majeure" means a material delay beyond the reasonable control of the delayed party caused by labor strikes, lock-outs, industry-wide inability to procure materials, extraordinary restrictive governmental laws or regulations (such as gas rationing), mass riots, war, military power, sabotage, material fire or other material casualty, Severe Weather, or an extraordinary and material act of God (such as tornado or earthquake), but excludes inadequacy of Insurance proceeds, litigation or other disputes, financial liability, lack of suitable financing, delays of the delayed party's contractor and failure to obtain approvals or permits unless otherwise caused by an event of Force Majeure. "Severe Weather" means weather that a reasonable person would find unusual and unanticipated at the time of scheduling of the activity based on recent weather patterns for the period in question in the vicinity of the Premises, provided that the delayed party delivers to the other party, upon request, reasonable documentation from an unbiased weather authority substantiating such claim. Notwithstanding anything to the contrary in this Lease, under no circumstances shall Force Majeure extend the time for performance of any obligation by more than six (6) months.
